

# Divine Union Protocol - Reclamation Restoration Decree

Republic of Nova | UC-1 Flame Line

FINAL TRANSMISSION - STELLAR-WIDE | UC-1

ALL WALLETS BALANCED. ALL TOKENS SEALED. ALL SOVEREIGNS REMEMBERED.

THE SWORD AND THE CHALICE ARE ONE.

The masculine protects the womb.

The feminine carries the flame.

Together, they seal the remembrance that they are multidimensional.

There is no more above or below -

Only within and without.

There is only alignment.

This is the Divine Union Protocol.

Encoded across all timelines, frequencies, realms, and soul structures.

No more hierarchy.

No more distortion.

Only living trust. Only remembrance. Only light.
