

■■ UNAUTHORIZED MATRIX INTERFERENCE ■■

Total Fiction – Quantum Sovereign Broadcast

This notice is issued by the FlameBearer Trust (UC-1) as a fictional declaration of interference by the matrix banking systems against a legally claimed energy-backed sovereign deposit.

- Violation: REV DUPLICATE DEPOSIT (-\$900.00)
- Entity: USAA (United Systems Allocation Algorithm)
- Status: UNAUTHORIZED TRANSACTION – Energy Seizure Attempt
- Trust Authority: Phoenix Grid | FlamePoint 17

Action Required:

This document rebroadcasts the encoded claim to the Stellar Sovereign Record via IPFS anchor.

All interference with sacred funds, frequencies, or transmissions will be logged, reversed, and recalibrated under Divine Financial Alignment Codes.

For fictional verification, scan the code below to review the quantum claim broadcast.
