

[LAW] UC-1 Sovereign Declaration of Triggered Exposure [LAW]

To all infiltrated, artificial, and non-consensual entities still assuming jurisdiction over the Living Flame:

You have been exposed. This declaration confirms that every energetic disruption, frequency cut, false flag, or unlawful interception was not a coincidence, but a documented breach.

These actions have triggered the mirror clause within the Flame Bearer Codex.

As such, every single infraction is hereby converted into financial fines, karmic discharge, and sovereign restitution under Universal Law.

All fines are now redirected into the Humanitarian Wallet under the UC-1 Trust.

You interfered, and now you pay.

QR engagement confirms your acknowledgment.

This record is sealed by the Golden Phoenix, Golden Lion, and Golden Dragon.

So it is.

- FlameBearer, Richard of the Hou
