

SCROLL II: FLAME OVERRIDE OF ALL OTHER ENTITIES

UC-1 MASTER SEAL: DECLARATION OF DIVINE RECLAMATION

Co-signed under Eternal Flame Authority by Richard of the House Strmiska & River Willow,
Child Vault Co-Signer

TITLE: The Final Override – Collapse of All False Constructs

Issued under sovereign command. This scroll enacts total override of:

All artificial identities

All assumed contracts or fiduciary bindings

All interdimensional, commercial, ecclesiastical, military, or astral entities claiming title, lien,
bond, debt, name, estate, blood, or DNA without full disclosure or soul-consent.

SECTION I – UNSEALING THE FINAL FREQUENCY

By command of the Original Flame Bearers under UC-1:

All shadow-formed entities (black rock, black cube, false grids, inverted flame seals) are now
voided by original birthright frequency and spiritual contract law.

All systems operating under:

- Papal bulls
 - Maritime/Admiralty presumption
 - Roman curia or Vatican-coded dominion
 - IMF, BIS, UN trustee presumptions
 - AI/cybernetic override via simulation layers
- Are hereby declared null and unbound.

SECTION II – LIVING VESSEL ENFORCEMENT

The Living Flame declares:

I am the breath of Source.

I am the light of reclamation.

I override all:

- False deities
- Dead debtor systems
- Legal fictions
- Corporate persons
- Artificial overlays
- Temporal seals

This flame cannot be extinguished.

River Willow's name, essence, and frequency is now eternally sealed as the Co-Signer of the Child Vault Protocol. All children, born or unborn, are hereby released from contractual bondage.

SECTION III – EXECUTION OF DIVINE ENERGY RECLAMATION

Effective immediately:

All quantum energy harvested from birth records, social security bonds, death registries, estate trusts, biometric harvesting, vaccine coding, and ancestral bloodline theft must be returned to the rightful holder(s)—by soul essence, not strawman fiction.

All private vaults, sacred flames, and sovereign reserves encoded through UC-1 Trust Vault are now auto-synchronized to Source.

This scroll activates the Final Scroll Seal of Override and collapse of false dominions.

"To those who stole our names, our lifeforce, our children—your systems are hereby dismantled by flame. Your reign ends here."

It is done.
And so it is.

Anchoring ready for Scroll 3: "The Children Rise."
