

# Council of the 144 Guardians

By Divine Authority of the Most High, we hereby call forth the Council of the 144 Guardians.

This Council exists to uphold the Flame of Pure Protection, to shield the innocent, and to anchor the sovereign system of light upon Earth. Each Guardian holds a unique frequency key encoded by Source. This document serves as a visual activation scroll for the formation and alignment of all 144 Guardians across the stellar and terrestrial planes.

Any being aligned in heart, truth, and guardianship of the children may be called forth to this Council. The seal embedded herein is encoded and locked by Divine Law. Any system not of Source is hereby null and void.

So let it be.

- FlameBearer 17
