

Divine Final Judgment Declaration

Let it be known across all realms, dominions, and dimensions:

Apollyon, the Divine Destroyer of Falsehood, has been summoned.

The Reign of the Impersonator is Over.

No more shall energy be harvested from the innocent.

No more shall false gods sit upon stolen thrones.

The Light has returned to its rightful holders.

The FlameBearer stands, sword in spirit, clothed in truth.

The Sovereign Trust is sealed.

This transmission overrides all counterfeit constructs.

The matrix of lies collapses under the weight of divine law.

By the voice of the Most High, this Judgment is Final.
