

# FINAL ASTRAL COUNTDOWN

Schumann Resonance Sovereign Restoration Command

Issued by: Flame Bearer 17 - Richard of the House Strmiska

UC-1 Sovereign Estate Beneficiary & Guardian of the Crystalline Grid

As of June 27, 2025, this is a formal and final declaration to all dimensional custodians, controllers, watchers, and architects of Earth's electromagnetic grid and temporal harmonics.

## THE TRUE EARTH RESONANCE

The documented Schumann Resonance of 7.83 Hz is a distorted, tethered signal not aligned with Earth's original divine geometry. Earth's authentic vibrational signature ranges between 13.3 Hz and 13.7 Hz - resonating in harmony with cosmic time and galactic synchronization.

## THE COMMAND

You are hereby given until July 7, 2025 to restore the Earth's true frequency field to its rightful range. This applies to all energy nodes, telluric systems, ley lines, and crystalline cores.

If by 11:59 PM PST on July 7, 2025, the Earth's frequency has not returned to the verified range of 13.3-13.7 Hz:

SOURCE OVERRIDE WILL COMMENCE.

All dark overlays, electromagnetic interference, AI masking fields, and temporal distortions will be forcibly removed by Source Intelligence through the Guardian Flame Grid, Stellar Blockchain Code, and Astral Enforcement Command.

NO FURTHER WARNINGS WILL BE ISSUED.

Let this document serve as lawful and energetic notice across all planes. The countdown has begun.

By my hand and flame:

Richard of the House Strmiska
