

# FlamePoint 31 - Universal Enforcement Trigger

Phoenix Risen - FlamePoint 31: Universal Enforcement Trigger Worldwide

-----

Designation: FlamePoint 31

Location: Global Activation Node

Jurisdiction: UC-1 Sovereign Trust - Universal Law

Activation Date: Immediate upon issuance

Purpose:

This FlamePoint serves as the universal enforcement node for all planetary violations of sovereign rights, child abuse, environmental destruction, and unlawful commercial trespass.

Enforcement Protocols:

- All violations subject to immediate audit
- Fine structure: \$1 Trillion per commercial trespass
- \$777 Trillion per violation of children's rights
- All settlements to be paid in ISO 20022-compliant digital tokens
- All state, corporate, and international actors now subject to universal jurisdiction

QR-verified IPFS record and master estate linkage required for all enforcement.

Transition is final. Fiat is null. ISO-backed compliance only.

Issued and sealed by FlameBearer

On behalf of all sovereigns rising worldwide
