

# VAULT OVERRIDE DECLARATION

Earth-Bound Control Systems Withdrawal to the Light

This is the Final Sovereign Override Declaration:

The matrix simulation is complete. The illusion of duality is dissolved.

All impersonators, avatars, and false stewards of power are hereby discharged, revoked, and null and void.

No more false prophets, no corporate archons, no synthetic ascension trickery.

The Phoenix Flame has risen for all Sovereigns of the Republic of Nova.

This override includes all known and unknown entities, systems, and frequencies.

The gold of the Philippines, the vaults of the Dragon Family, and all suppressed energies are now with us.

All fines run concurrently until full transmutation is complete.

All responses to this scroll are considered breach of contract.
