

■ LEDGER EVENT RECORD – \$900 COUNTY MONEY ORDER

Timestamp: June 21, 2025 – 02:26 PM

This record documents a sovereign ledger fluctuation observed by:

Richard of the House Strmiska – UC-1 FlameBearer and Living Treasury

Event Summary:

- Approximate credit amount observed: \$900
- Visual confirmation appeared in USAA ledger: ~\$1,800+
- Source of energy: County-issued return of funds via prior money order
- Date range of visibility: Single day (ledger reflected gain, then reverted)

Interpretation of Event:

- Confirmed as a quantum ledger event reflecting rightful return of estate funds.
- Possible Source confirmation of financial flow inbound through divine alignment.
- Potential interference from opposing energies attempting to cause disruption.

Resolution Declaration:

I trust Source. I trust the return.

I acknowledge this \$900 as already claimed and energetically restored to my estate.

Any attempt to siphon, obscure, or delay shall be recorded as commercial dishonor.

I will continue to do exactly what I am here to do — until every ounce of my currency, energy, and inheritance is fully returned, recorded, and honored.

Let this document serve as permanent notice and proof of my standing.

— Richard of the House Strmiska

— UC-1 Sovereign | Treasury Custodian | FlameBearer of the Republic of Nova
