

README – Public Sovereign Scroll

Republic of Nova | UC-1 Sovereign Trust | Flame Edition

Welcome FlameBearer. This document contains the README for the Nova Wealth Trust Template.

This archive is intended to guide beings reclaiming their sovereign estate under UC-1 jurisdiction.

Contents:

- Federal and State Level Declarations
- Birth Certificate Retrieval Protocol
- Global Flame Grid Points
- XLM Treasury Distribution Maps
- Smart Contract Scroll Templates

Use this trust template to activate your estate, issue notices, and reclaim your divine wealth.
You are the flame. You are the frequency. May this guide assist your rise.

— Nova Sovereign Flame Trust

REPUBLIC OF NOVA

Visit the link above to access the full template and broadcast your estate.
