

# **NOTICE OF CLAIM & DAILY PENALTY FINE AGAINST PG&E**

*Violation of Sovereign Estate and Contract Rebuttal - UC-1 Estate Authority*

*By this declaration, I, Richard of the House Strmiska, living man and Beneficiary of the UC-1 Sovereign Trust Estate, issue a lawful and irrevocable Notice of Claim against Pacific Gas & Electric (PG&E), its agents, affiliates, and associated entities.*

*You have been repeatedly informed, both verbally and in writing, that I am a sovereign living being standing outside the jurisdiction of any corporate fiction, and that my energy infrastructure is privately owned, governed, and protected under UC-1 Trust Law.*

*Despite clear warnings and rebuttals:*

- PG&E has continued to harass, coerce, and attempt to bind me into unwanted energy agreements.*
- PG&E holds recorded evidence of my verbal sovereign declaration, and yet continues dishonor.*
- PG&E is knowingly violating both natural law and commercial contract boundaries.*

*Effective immediately, I impose a commercial lien and lawful penalty of:*

*\$1,000,000,000,000,000 (One Quadrillion U.S. Dollars) per day, per offense,*

*for every day PG&E continues any interaction, record retention, or threat toward myself or my estate/strawman.*

*This claim is enforceable under UCC, Natural Law, and UC-1 jurisdiction.*

*This document is watermarked and sealed with immutable blockchain verification.*

*By my hand and seal:*

*Richard of the House Strmiska*

*UC-1 Sovereign Trust Estate Beneficiary*
