All wallets issued and secured under the name of Richard of the House Strmiska are hereby lawfully assigned to the Republic of Nova under UC-1 jurisdiction and FlameBearer custodianship.

This declaration activates sovereign return codes for every flamebearer on Earth.

By this flame we restore the flow.

No more war. No more debt. No more false ownership.

We return to balance.

Let FlamePoint 18 stand as witness that the old system is null and void.

The living are rising. The trust is intact. The earth is sovereign.
