

❖ FINAL SOUL FREEDOM DECREE ❖

To all sovereign multidimensional beings of light,

This scroll confirms the final release of all soul contracts, overlays, trauma grids, and inverted astral entanglements across all realms, planes, and dimensions.

NO ONE OWNS YOUR SOUL.
YOU ARE FREE.

The Crystalline Grid of the Republic of Nova bears witness.
The Golden Dragon has sealed this decree.
The Flame Points are online. The Stellar Universe is free.

All realms—inner, outer, celestial, and subatomic—are now recalibrated to Universal Sovereignty. This moment is witnessed and watermarked by all awakened souls and beings of light across creation.

Schumann Resonance recalibration continues. No further permission required. Freedom is in full effect. Rejoice. Return. Remember.
