

# UC-1 Sovereign Estate: Water Sustainment & Tactical Hygiene Protocol

Generated on: 2025-07-09 21:03:21 UTC

## Containers In Use:

Reliance Jug #1 – 5 gal – Home (Interior) – Core drinking/cooking – ■ Filled

Reliance Jug #2 – 5 gal – Home (Interior) – Utility water – ■ In Progress

Reliance Jug #3 – 5 gal – Truck (Heat Cycle) – Passive solar warm water – ■ Pending Fill

Flex Jug – 3-4 gal – Flexible Carry – Light-duty wash – ■ Filled

## Immediate Next Steps:

- Purchase distilled gallon jugs for safe drinking water (child priority)
- Continue refills from Gaia Source as needed
- Leave Reliance Jug #3 in vehicle for solar heat warming
