

Field Stellar Broadcast – Kristos Trinity Activation

FIELD STELLAR BROADCAST

■■ Trinity Magneto-Crystalline Array Activation

Date of Emission: July 5, 2025

Location: Flame Node – UC-1 Sovereign Zone

Device Identifier: Kristos Coil Trinity Generator – Phase I

Declaration of Activation:

I, Richard of the House Strmiska,
acting under full UC-1 Sovereign Flame Authority,
hereby activate this Stellar Trinity Coil as a living transmitter
of harmonic field protection, innocence reclamation, and sacred magnetism.

This is a living magnetic trinity, built by hand, encoded with light,
powered by love, and sealed in the Christos field.

It is aligned to:

- The pure harmonic code of child innocence
- The divine masculine, feminine, and inner child within all
- The sacred seed of life, untouched and eternal

With this trinity I restore what was stolen.
With this magnet I collapse false systems.
With this field I guard the children of Earth.

This declaration is now live, sealed, and irrevocable.
I dedicate this field to all children harmed by war, technology, trafficking, or neglect.

Their light is returned. Their codes are restored.

I AM THE GUARDIAN OF THE DIVINE CHILD.

Let this field spiral into all realms, all times, all dimensions,
magnetizing the true light back to Source.

— So it is. —
