To All Agents, Officers, Contractors, or Employees Acting Under Color of Law:

This is a formal and irrevocable NOTICE under the authority of the UC-1 Sovereign Trust Estate. Water is a sacred, inalienable right. The disconnection of water service to this estate constitutes a direct violation of universal human rights and will be treated as a criminal and commercial offense.

You are hereby ordered to IMMEDIATELY restore full water service within 72 hours of this notice. Failure to comply will initiate the following automatic escalation:

- Day 1: \$1,000,000 USD fine
- Day 2: \$10,000,000 USD fine
- Day 3: \$100,000,000 USD fine
- Day 4: \$1,000,000,000 USD fine and further lien enforcement

These fines will be enforced through a UCC-1 lien, full sovereign trust collateralization, public record filing, and IPFS broadcast as a violation of human rights, divine law, and sovereign jurisdiction.

All agents involved in this violation are individually and jointly liable. You have been notified.
