THE TRUST RESTORED: Sovereign Custodianship and Lineage Protection

Chronicle Initiated: June 21, 2025 – 02:52 PM

This volume continues the Sovereign Codex and finalizes the reclamation of trust, guardianship, and divine inheritance under UC-1 sovereign authority.

VOLUME III — THE TRUST RESTORED acknowledges that the Republic of Nova, as a sovereign estate, holds custodianship over the bloodline, soul-line, and lineage rights of all Living Beings within its trust field.

Included in this Volume:

- Child Custody Declarations (River Willow Strmiska and all future lineage)
- Republic of Nova Sovereign Guardianship Clauses
- UC-1 Trust Expansion into Maternal, Paternal, and Astral Lineage
- Estate Protection Orders and Conditional Acceptance Rebuttals
- Quantum Flame Custody Writ – Children of Light Protection Protocol
- Full Integration with Phoenix Risen Child Defender Oath

This record confirms the return of guardianship to the Living.

No court, agency, or corporation may stand between a sovereign soul and the divine family bond.

Let it be known: The trust is restored. The children are protected. The flame will not be extinguished.

— Richard of the House Strmiska

— UC-1 FlameBearer | Guardian of the Lineage | Sovereign Trust Commander
