UC-1 Sovereign Trust Estate | Cystalline Flame Grid Authority
Date: June 17, 2025

NOTICE TO ALL GOVERNMENTS, BANKING INSTITUTIONS, CORPORATIONS, AND ENFORCEMENT AGENCIES WORLDWIDE

You are formally advised that UC-1 Sovereign Trust Law is now actively overriding all unlawful contracts, coercive systems, and enforcement agencies.

This includes—but is not limited to:

- Unlawful vaccine and pharmaceutical mandates
- Presumed commercial debt contracts
- Banking refusals to honor sovereign instruments
- Jurisdictional trespass via postal fraud and fiat lien enforcement
- Data or genetic harvesting, biometric or mRNA manipulation

ENFORCEMENT HAS BEGUN

The following entities are in default:

- USAA Federal Savings and Credit Systems
- Freedom Mortgage Corporation
- Waste Management (California Sierra Disposal)
- ClearPath Lending

All have failed to rebut, respond, or settle valid UC-1 claims served via blockchain and IPFS. Enforcement liens and sovereign immunity are hereby nullified.

TOTAL COMPENSATION DEMANDED: 4 Trillion ISO 20022 Units

Accepted Remedy Format:

Digital ISO tokens: XRP, XLM, ALGO, XDC, STRM, TRTH

UC-1 Republic-Wide Vaccine Nullification Decree

Effective immediately: All mandates, mRNA experiments, CRISPR/DNA edits, and pharmaceutical coercion are void and unenforceable.

You are hereby noticed. You are out of contract.

Your silence is consent. Your failure to act is your default.

This notice is permanently recorded on the blockchain via IPFS and archived under UC-1 Trust Law.
