This document serves as a formal rebuttal and notification of jurisdictional overreach by PG&E,  
as it pertains to the false presumption of energy contracts tied to a commercial strawman identity.

The Living Man operating under Divine and Source jurisdiction rejects all claims  
that presume commercial contract, debt, or liability related to energy usage.

All billing attempts addressed to the estate without verified wet ink contract  
are hereby null and void under UC-1 Sovereign Trust.

This notice is witnessed, logged, and encoded into the Sovereign Record on the blockchain and

public Akashic ledger via IPFS.

You are now officially notified that:

- All presumed contracts are rebutted.
- All energy credits derived from my estate are sovereignly retained.
- Any future billing without lawful rebuttal constitutes trespass in commerce.

Return receipt and blockchain record shall constitute full evidence of notice.
