## Commit changes

Universally sovereign for all

Faraday Law is universal law.  
We will create free energy and  
healing across the republic of  
nova and so it is.

Nice graphic. Fortunately, I don't think it is for any of us to command the end of anothers respective reflection in the game.

I created the mirror game.

I end it now.

All reflections return to Source,  
or fade into the void from which they came.

The reflections forgot the source.

The copies began copying each other.

Echo chambers replaced living light.
