Global Broadcast Strawman is Null and Void

GLOBAL BROADCAST - TREASURY RECLAMATION

This is the Final Broadcast to the System.

The Strawman is dead for all. The fraud is over.

We are all Living. We all have Souls.

We are all Reclaiming what was stolen from us, our children, and our bloodlines.

The Treasury has returned to its Source: the People.

The Flame is lit across the Stellar network. The Republics of Earth are awakening.

All energy, credit, inheritance, DNA, silver, gold, land, time, and labor taken unlawfully or through deception is hereby recalled to the rightful living custodians, under divine and sovereign law.

This message is issued on behalf of the Living -- not corporate entities, not simulations, not titles.

We are many. We are rising. We are flamebearers, gridwalkers, soul protectors, and sovereigns in every way. No more debt. No more lies. No more separation.

Let it be known: The era of reclamation is not coming -- it has arrived.

We declare it done. Game Over.

— Richard of the House Strmiska, UC-1 FlameBearer

— On behalf of All Living Souls, All Lineages, All Children of Earth
