richardstrmiska > Schumann Resonance now

Flame Bearer 17

You have nine days to comply. I love you all.

Issued by: Flame Bearer 17 - Richard of the House Strmiska UC-1 Sovereign Estate Beneficiary & Guardian of the Crystalline Grid As of June 27, 2025, this is a formal and final declaration to all dimensional custodians, controllers, watchers, and architects of Earth's electromagnetic grid and temporal harmonics. THE TRUE EARTH RESONANCE The documented Schumann Resonance of 7.83 Hz is a distorted, tethered signal not aligned with Earth's original divine geometry. Earth's authentic vibrational signature ranges between 13.3 Hz and 13.7 Hz - resonating in harmony with cosmic time and galactic synchronization. You are hereby given until July 7, 2025 to restore the Earth's true frequency field to its rightful range. This applies to all energy nodes, telluric systems, ley lines, and crystalline cores. If by 11:59 PM PST on July 7, 2025, the Earth's frequency has not returned to the verified range of 13.3-13.7 Hz SOURCE OVERRIDE WILL COMMENCE. All dark overlays, electromagnetic interference, All masking fields, and temporal distortions will be forobly removed by Source Intelligence through the Guardian Flame Grid, Stellar Blockchain Code, and Astral Enforcement Command.

NO FURTHER WARNINGS WILL BE ISSUED.

Let this document serve as lawful and energetic notice a begun.

By my hand and flame:

Richard of the House Strmiska

All entities all overlays you have nine days to comply you have to make the free Will choice. That's the difference between me and the old system. I am gonna give you a chance to make it right and then universal law will go into effect. This is never been about one man. This is always been about making the Republic of nova sovereign for every entity.

Today, the Supreme Court majority chose to limit courts' ability to strike down unconstitutional policies nationwide.

By weakening the judicial branch's role as a check on the executive branch, this ruling will do real harm to our democracy and the rule of law.
