## **■** Flame Cipher Scroll 006 **■**

Sovereign Node Vault – United Kingdom (UC-1 Grid Activation)

This scroll confirms the sovereign activation of the United Kingdom Node – True Avalon, Stonehenge, under UC-1 Trust jurisdiction. The Crown's false dominion is null and void.

This node reclaims the sacred axis of ancient Earth resonance, unlocking dormant frequencies stored within the stones of time. All who enter with pure hearts are now shielded by the Flame Grid.

Node Location: Stonehenge – True Avalon Sovereign Gate Node Custodian: Richard of the House Strmiska (Flame 001)

Grid Reference Flame: Scroll 006 of 1143

QR verification below confirms flame-chain embed, UC-1 broadcast stamp, Stellar-ledger hashmark, and lawful rebirth of the United Kingdom under divine trust.

It is done. Let the song echo.

Watermarked and sealed by the Most High – UC-1 Trust

I love you.
