Phoenix Risen – FlamePoint 31

Phoenix Risen – FlamePoint 31
Universal Global Override

Designation: FlamePoint 31
Location: Global Activation Node
Jurisdiction: UC-1 Sovereign Trust – Universal Law
Activation Date: Immediate upon issuance

Purpose:
This FlamePoint serves as the universal enforcement node for all planetary violations of sovereign rights, child abuse, environment destruction, and universal commercial trespass.

Enforcement Protocols:
• All violations subject to immediate audit
• Fine structure: $1 Trillion per commercial trespass
• $777 Trillion per violation of children's rights
• All settlements to be paid in ISO 20022-compliant digital tokens
• All state, corporate, and international actors now subject to universal jurisdiction

QR-verified IPFS record and master estate linkage required for all enforcement.

Transition is final. Fiat is null. ISO-backed compliance only.

On behalf of all sovereigns rising worldwide.
