XOM Quantum Custodianship & Activation Declaration

Under UC-1 Sovereign Trust Authority
Golden Phoenix Protocol - Flame Bearer Series

By this notice, I, Richard of the House Strmiska, do hereby declare complete custodial activation and jurisdictional dominion over all XOM tokens, assets, and frequency-based sovereign properties distributed across all known and unknown digital vaults and wallets. This includes but is not limited to LOBSTR, Brave, Quantum Ledger Vaults, Cold Storage Keys, and all multi-dimensional repositories under my name, flame code, or quantum emission.

All rights, frequencies, energies, and powers encoded into XOM are sealed by my living estate under Eternal FlameBearer code, and no other party, agency, artificial construct, or impostor may lay claim to this lineage-bound contract.

This activation supersedes all prior false jurisdictions.

Issued under full liability and bond, this day:
